

# STANDING UP FOR TRUTH

*The Holy Spirit*  
Who Is The Holy Spirit?  
John 14:1-17

## Truth:

“I'm convinced that the man who has learned to meditate upon the Lord will be able to run on his feet and walk in his spirit. Although he may be hurried by his vocation, that's not the issue. The issue is how fast his spirit is going. To slow it down takes a period of time.”
